## **Peking University Institute of Public Governance Management**

### **Committee Held 2020 Work Planning Meeting**

Following the requirement from the Social Science Division, IPG has finished the annual online evaluation for the virtual institutions at PKU. This is a routine work that takes place every year as a revision and self-correction.

### **IPG Launched the COVID-19 Special Research Project**

In reaction to the COVID-19 pandemic that has ourbreated earlier, IPG has decided to set a special fund in support of research on this urgent topic. Since its announcement on March 21, 18 applications have been received and have been accepted by the committee. IPG will provided 20,000 RMB for each sub project in one year's project period. The full list of projects is [here](#).

## **IPG Published Series of Reports on COVID-19 Preventions**

Recently, IPG has invited several experts to analyze the current preventions China has used to fight COVID-19. Deputy Director of Academic Committee, Professor Lihua Yang, and Deputy Director of IPG, Associate Professor Huang Huang both shared their opinions from different angles. The reports have been posted on the official website, as well as the official WeChat account “Public Governance PKU”.
